

Role-Play Practice Log — Weekly

Standard: at least one round before opening — every day. One round done = write one line. Partner + Akio's check keep it honest.

• let it dough

WEEK STARTING (MON)

BRANCH

Team: Aldrin (AL) · Joy (JY) · Tony (TN) · Ramie (RM)

1

Practice
Do one full round with a partner, using the Role-Play manual.

2

Write one line
Date & time, your name, who you practiced with, a short note.

3

Akio checks
Akio initials the line — it confirms it really happened.

4

That's it
No line = no practice. No Akio initial = doesn't count.

Daily check
after close: write TODAY's total rounds in the day box

0 must be written too

— never leave a day blank. A zero gets a reason on a log line.

WEEK TOTAL — ROUNDS PER PERSON (AKIO COUNTS THE LINES)

Aldrin

Joy

Tony

Ramie

No cheating rules: both names must be real — your partner is the witness. Practiced in a pair? Each person writes their own line. A line with no Akio initial is not counted.
